

59-12-2210 Seller or certified service provider reliance on commission information.

A seller or certified service provider is not liable for failing to collect a sales and use tax at a tax rate imposed under this part if the seller's or certified service provider's failure to collect the sales and use tax is as a result of the seller's or certified service provider's reliance on incorrect data provided by the commission in a database created by the commission:

- (1) containing tax rates, boundaries, or local taxing jurisdiction assignments; or
- (2) indicating the taxability of tangible personal property, a product transferred electronically, or a service.
